# WD1450
# 14 Gallon High Performance Wet/Dry Vac

RIDGID FULL LIFETIME WARRANTY Against Material Defects & Workmanship

This RIDGID® 14 Gallon High Performance Wet/Dry Vac is designed to deliver the powerful suction, large capacity, and rugged construction in a more compact design than is offered in our largest cart type vacs. The vacuum's 14 gallon drum size achieve a more compact overall design but it still provides a big capacity capable of handling large job-site chores. The 6.0 peak horsepower motor delivers the high performance necessary to handle these chores. Other key features include; a 3-layer fine dust filter captures dry wall dust, accessories are stored on-board, casters provide 360˚ mobility. Add a top handle with a cord wrap, heavy duty 2-piece drum construction, a large drain and you've got a wet/dry vac that achieves the demands of Pro's on the job site or in the shop.

| FEATURES | BENEFITS |
|---|---|
| • 6.0 Peak HP Motor | Market proven quality, performance, and durability. |
| • Sound Reduction Technology | Scroll Noise Reduction® is a patented feature that provides quiet operation by precisely controlling the flow of air through the vac. |
| • 4 Swivel Casters | Provide easy 360˚ mobility. |
| • Innovative Accessory Storage | Unique built-in accessory caddy - Conveniently stores accessories and hose quick at hand. No more searching or fumbling to find the accessories you need. |
| • 2-Piece Drum Construction | Provides improved, more rugged construction to meet the higher demands found on the job site. |
| • 3-Layer Fine Dust Filter | Captures fine dust particles such as dry wall dust. |
| • Dual-Flex® Locking Hose | Resists collapsing and adds 180˚ flexibility at both hose ends. Hose locks onto vac. |
| • Large Carry Handle | Allows easy lifting of vac into service vehicle. |
| • Long Cord Plus Cord Storage | Extra long 20' power cord wraps neatly around carry handle. |
| • Powerful Blowing Performance | Move hose to exhaust port to blow debris from garages, decks, sidewalks, etc. |
| • Included Accessories | 2-1/2" x 7' Dual-Flex® Locking Hose, 2 Extension Wands, Utility Nozzle, Car Nozzle, Wet Nozzle, & a 3-Layer Fine Dust Filter |
